

Rose Carrarini's recommendation Easter High Tea with traditional Simnel Cake!

Rose Bakery 's 『EASTER 2019』 <March 1st ~ April 21st>

Rose Bakery offers a time-limited Easter menu between March 1st and April 21st in 2019.
(Operated by R&K Food Service Co., Ltd.)

The menu is created under the supervision of Rose Carrarini, founder of Rose Bakery.

This Easter themed set is an assortment of small scone, cake, sandwich, soup, vegetables, fruits, short bread, bunny motif chocolate and etc.

The Simnel cake, the traditional English cake, is based on Rose's specialty "Fruit Cake" with a twist, made with grated fresh apple dough. The scone is one of Rose's signature items made from the original recipe from Paris.

Easter originally is an event to celebrate the resurrection of Jesus Christ and the arrival of spring. In Japan, it is often perceived as a "kids' event" and being associated with the Easter egg hunt. Rose Bakery offers Easter high tea and cream tea for grown-ups to spend quality good time with friends and family over bits of everything including, needless to say, a cup of tea.
